D soil, D nutrient and D pesticide management	58	62	44	80	<1	<1	15	69	<1	<1	<1	<1	5	69	<1	23	83	100

* A value of '<1' indicates that either the substance was not lost, because it was not applied, or if applied, very low amounts are predicted to be lost.
