

**EXPRESSION OF INTEREST AND CONSENT TO UNDERTAKE
CARBON EMISSIONS REDUCTION PROJECT**

LANDHOLDER COLLABORATOR

_____ *(insert name of property owner/manager)*

_____ *(insert name of property)*

_____ *(insert property address)*

Dear Sir/Madam

As the owner or owner's representative of _____
(insert name of farm) this letter is to confirm our intention to work with Verterra and Corporate Carbon Solutions on carbon emissions reduction projects (either emissions avoidance or enhanced sequestration) on the property in order to participate in the Emissions Reduction Fund (ERF).

Consent is hereby given to Verterra and Corporate Carbon Solutions to undertake emissions reduction projects on the property identified above for the crediting period of the project. This consent is conditional on a further decision to proceed to project implementation, which will only be made once the final design has been established and commercial terms agreed.

Yours sincerely
