WORKSHOP

MACKAY  
WHITSUNDAY

# WEED WORKSHOP

## THURSDAY 26TH APRIL

REEF CATCHMENTS INVITES LANDHOLDERS TO JOIN US FOR A WEED WORKSHOP AT HOMEBUSH.

Participants can expect to learn more about weed identification, form and function including:

- Pest and weed management methodology
- Weeds and the soil - how managing your soil can turn weeds 'on and off'
- Learn about what Queensland Biosecurity legislation means for weed management on your property and in your community

This Reef Catchments event is free for land managers to attend. Morning tea and lunch will be provided.

Thanks to event partners Mackay Regional Pest Management Group. This event is funded through the Queensland Department of Natural Resources and Mines Natural Resource Investment Program.
