

Appendix 1

COMMON VALUES, PRESSURES AND STRATEGIES IDENTIFIED ACROSS GREAT BARRIER REEF STRATEGIC DOCUMENTS

VALUES	PRESSURES	STRATEGIES
Catchments and estuaries Coastal Coral reefs Fish and fisheries Human dimensions – community Human dimensions – culture and heritage Human dimensions – economy Human dimensions – knowledge Human dimensions – recreation Human dimensions – intangible Human dimensions – tangible Mangroves Whales, turtle, dugong Physio-chemical – freshwater Productive land Seabirds and shorebirds Seagrass Wetlands	Agricultural practices Climate Change Climate Change – altered hydrology Climate Change – extreme weather Climate Change – sea level rise Climate Change – warming Dams & water management / use Dredging Fire & Fire Suppression Fishing and harvesting aquatic resources Forest product harvesting Garbage and solid waste Grazing practices Household sewage & urban waste water Invasive animals Invasive plants Invasive plants & animals Light pollution Mining Noise pollution Pathogens & microbes Pollution – industrial Problematic native species	1. Land / water management 1.1 Site / area stewardship 1.2 Ecosystem & natural process (re)creation 1.3 Protect & manage cultural heritage sites 1.4 Manage invasive species 1.5 Reduce waste 2. Species management 2.1 Species stewardship 3. Awareness raising 3.1 Outreach & communications 4. Law enforcement & prosecution 5. Livelihood, economic & moral incentives 5.1 Linked enterprises & alternative livelihoods 5.2 Better products & management practices 6. Protected area designation &/ or acquisition 6.1 Land/water use zoning & designation 6.2 Conservation planning 6.3 Site infrastructure 7. Laws, regulations & codes 7.1 Policies & guidelines 8. Research & monitoring 8.1 Basic research & status monitoring 8.2 Evaluation, effectiveness measures & learning

	<p>Residential & commercial development Roads & railroads Shipping Tourism & recreation</p>	<p>9. Education & training 9.1 Training & individual capacity development 10. Institutional Development 10.1 Internal organisational management & administration 10.2 External organisational development & support 10.3 Alliance & partnership development 10.4 Finance conservation 11. Improve access to healthcare & facilities 12. Improve</p>
